

Colleagues:

We are pleased to announce that the Itawamba Community College Band Festival at the Davis Event Center on the Fulton Campus will be held on Thursday, April 4, and Friday, April 5, 2024. The festival is open to any junior high/middle school band or high school second/first band. Its purpose is to provide both students and directors an opportunity to receive constructive comments on their performances in a noncompetitive environment. Trophies will be awarded to all groups, but there will be no ranking of the bands.

We have assembled an outstanding panel of adjudicators for this year's festival with each bringing a wealth of knowledge and experience to the event. We know your band will benefit from their comments. In addition to the concert performance, your band will have the opportunity (not required) to be adjudicated in sight-reading if you wish.

If you would like to participate in this year's festival, complete the enclosed registration form and return it to the ICC Band office along with your registration fee by Friday, March 8, 2024. If bringing multiple ensembles to the festival, complete a separate registration form for each. If you have questions about the festival, do not hesitate to contact us. We look forward to hosting you and your band at Itawamba Community College on April 4 and 5!

Sincerely,

Ryan Todd
